

PROJECT DESCRIPTION:

Featuring a 100,000-square-foot indoor waterpark, the Kalahari Resorts & Convention Center is a popular year-round, family-friendly destination in the Pocono Mountains. The \$350 million facility has 457 hotel rooms and a 100,000-square-foot convention center. The resort also features a 30,000-sqaure-foot entertainment center, with attractions like the Anaconda, a water coaster , FlowRider, a surfing experience, Wild Wildebeest, a raft ride, and other exciting water adventures that draw guest from across the Northeast. Knowlton Masonry laid more than 210,000 block using QUIKRETE[®] Mason Mix Type S

Mortar and QUIKRETE[®] Core-Fill Grout Fine to construct the hotel rooms, convention center and various elements in the waterpark. In the next phase of construction, Kalahari Resorts & Convention Center will lay 1,000 hotel rooms.

QUIKRETE[®] Mason Mix is a high strength commercial grade dry pre-blended mixture of sand and cement available in coarse or fine versions.
